# B2104 CLASSIC BASE

USE AS A STANDALONE OR PAIR WITH CHEST

Customers appreciate storage options that complement fine homes, are well-built and are functional. When paired with the Classic Chest or All-Purpose Chest, it increases lockable storage space by up to 40 percent. Admirers of Gerstner products frequently use the Classic Base as a standalone piece in the home office, where it fits under a printer or computer—or elsewhere in the home where a prized collection can be displayed.
